

Job Description

Job Title: Technician

Responsible to: Senior Technician

Bristol Beacon

Bristol Beacon is a music charity, renowned venue and award-winning music education hub. We're here to help make space for music every day, with everyone. We do this through a remarkable programme of live music performance, participation and education. Our vision is to unite people through the joy of live music, and believe that doing so has the power to create a better society for all of us.

Part of Bristol's cultural heritage for 150 years, Bristol Beacon has hosted some of the world's greatest musicians from Ella Fitzgerald to The Beatles to London Symphony Orchestra. We strive to be a symbol of hope and community, a focal point for music and a place of welcome, warmth and light.

Operated by Bristol Music Trust since 2011, in 2018 we embarked on a major capital transformation of our venue to create a world-class concert hall for the city and region, with accessibility and inclusion at its core. Hailed as one of the most significant investments in cultural infrastructure in the UK in recent times, we reopened in November 2023 with a programme that included landmark commissions, celebrations of Bristol artists and performers, star names in music and comedy, and a blockbuster Orchestral season. With an ambitious ongoing programme of concerts, gigs, festivals, conferences and more, and with new spaces dedicated to education and talent development, we anticipate hosting 800 events and welcoming 400,000 visitors per year from across Bristol, the Southwest and internationally.

As an organisation we are equally and increasingly recognised nationally for our work to grow music education and participation. We have developed our creative learning and engagement work on an unparalleled scale. Our specialisms include working with underrepresented communities, including 2,500 young people with disabilities and in care. As the Music Education Hub lead for Bristol, we deliver the National Plan for Music Education to all children aged 4-18, inspiring 39,000 children in 150 schools, special schools, and youth groups every year. Our community led Transformation Promise programme is backed by strategic funding partners and includes working with children under five from low-income families, adults in social isolation/with dementia, children in care/care leavers and community musicians.

We are showing further sector leadership through our sustainability commitment to become the first UK concert venue to achieve Net Zero.

We achieve all of this through the work of our vibrant and dedicated staff team. We aspire to

reflect the city of Bristol and its people; we value individual difference and place great importance on inclusion, wellbeing, and staff engagement, so that our team can be their best selves at work.

Technical Team

The Technical team provides high quality lighting and sound production, design and recommendations for all our events. The team are responsible for delivering quality and innovation as well as being responsible for high standards of health and safety, risk assessments, sourcing equipment, maintenance and customer and client interaction.

The Technical team is led by the Deputy Production and Events Manager/Technical Manager and the team includes:

X 3 Senior Technicians

X 4 Technicians

Production Office

Led by the Production and Events Manager and the Deputy Production and Events Manager / Technical Manager, the Production Office includes the Event Coordinators, Artist Liaison, the Artifax Coordinator, the Front of House team, and the Technical team. The Production Office is responsible for delivering all events at Bristol Beacon and Beacon Music Centre, including this role) all genres of live music, comedy, commercial events, community, and Music Education Hub events.

The Production and Events Manager and the rest of the Production team work flexibly according to the business requirements of the organisation, and the majority of staff work a shift pattern which includes evenings, bank holidays and weekends.

The Technical team provides high quality lighting and sound production, design and recommendations for all our events. The team are responsible for delivering quality and innovation as well as being responsible for high standards of health and safety, risk assessments, sourcing equipment, maintenance and customer and client interaction.

Purpose of Role

The Technicians are members of the Production Team and provide comprehensive technical support to the Artistic Programme, Commercial and CLE (Creative Learning and Engagement) teams. They operate and maintain the technical facilities of Bristol Beacon's spaces, including providing technical support for external events, ensuring a first class service is provided for the customer.

Key Responsibilities

Technical Delivery

1. Accurately pick equipment from the technical stores as required for events.
2. Competently set up technical equipment for events, including lighting, sound, audio-visual, rigging, staging and furniture.
3. Operate lighting, sound or audio-visual equipment for events as required.
4. Ensure that all performance users comply with electrical and safety regulations.
5. Edit recorded audio and video content using specialist software such as Adobe Premier

and Logic

6. Provide exceptional customer service to clients, touring personnel and internal customers.

Equipment Maintenance

1. Carry out equipment maintenance and PAT testing.
2. Maintain and test emergency technical systems in line with licensing and safety requirements.
3. Carry out repairs where required and ensure all technical production equipment is maintained to a high standard, as expected of a world-class venue.
4. Keep current and maintain specialist audio, video and lighting software & firmware.
5. Record all equipment faults, repairs and maintenance.
6. Carry out regular stock checks ensuring inventory levels recorded in HireHop are accurate.

Other

1. As part of the Technical Services Team help ensure all spaces are safe, tidy and welcoming.
2. Model professionalism at all times, wearing Bristol Beacon issued uniform and PPE as required.
3. Be responsible for locking and unlocking premises as required.
4. Provide advice on the purchase of equipment and consumables.
5. Drive Bristol Beacon's van as required.
6. Assist the FOH Team in the event of a fire alarm activation. Investigating the source of the activation and assisting with evacuations.
7. On a day-to-day basis comply with the Policies and Procedures of Bristol Music Trust.
8. Carry out any other duties that may reasonably be required.
